Student Evaluation of Teaching

There are three sections in the questionnaire, with questions 9 through 20 pertaining to “Instructor Skill”. The CSE department uses these to assess the performance of an instructor. The student was asked to respond to the following statements by selecting one of five choices, **Strongly Agree**, **Agree**, **Undecided**, **Disagree**, and **Strongly Disagree** (scored as 1, 2, 3, 4, and 5 respectively).

9. I would take another course from this instructor.
10. The exams/projects were presented and grades fairly.
11. The amount of work and/or reading was reasonable for the credit hours received in the course.
12. This instructor was an effective teacher.
13. Help was readily available for questions and/or homework outside of class.
14. The instructor was well prepared.
15. The instructor appeared to have a thorough knowledge of the subject.
16. The instructor summarized major points.
17. The instructor identified what he/she considered important.
18. The instructor showed interest in, and concern for, the quality of his/her teaching.
19. The instructor kept students informed of their progress.
20. The instructor suggested specific ways students could improve.

- +ve: Depth in Syllabus
-ve: None
- +ve: He is an excellent teacher
- +ve: It was a great opportunity to have taken this course under Dr. Y
- +ve: The concepts learnt in this course would really help me in the future
-ve: I would like to comment of the syllabus by saying the idea of proposing a project spec and implementing the same was not really good idea specially when its group project, where the specs kepp changing to the whims and fancies of each individual. If the team on the whole takes professional approach, then "a" individual can suffer.
- +ve: good understanding of the topic by the instructor and explained well
-ve: None
- +ve: Dr. Y is the best instructor I have encountered till now in Univ. of Texas at Arlington.
