

Embedded Signal Processing Laboratory

ESPL

The logo features the letters 'ESPL' in a large, orange, serif font. A gray stepped line, resembling a staircase or a digital signal, starts at the top left, curves over the 'E' and 'S', and then descends through the 'P' and 'L'. At the bottom of the 'P' and 'L', there are several vertical gray lines of varying heights, each ending in a small gray circle, resembling a signal waveform or a set of data points.
