Computer-aided IC Design/VLSI I
Spring 2008 (Prof. David Pan)

Homework #0: Assigned Jan. 14, Due Jan. 16 in class

1. Name:

2. Please give a brief description of your background (relevant courses, work experiences, etc.) and interest in the course. What's your expectation from taking the course?

3. Please list three classes that you enjoyed the most at UT. Why?

4. Any suggestions to make this course a great learning experience?
